#### New vendors welcome

We are always looking for new vendors. Vendors may sell produce including vegetables, fruits, herbs, and plants. Other agriculture products such as meats, eggs, and honey may be sold, but must be in compliance with State guidelines.

Members may also sell prepared or processed foods if they are made from their own produce, and baked goods. Those selling prepared or processed foods must take a food safety course, and must

follow special rules established by the State.

We also welcome handmade craft items of good quality.

We encourage vendors to commit to a seasonal membership, at a cost of \$50, to take advantage of increased publicity and North Dakota Farmers Market and Growers Association benefits. We also have a weekly \$15 seller program for those who don't wish to commit to an entire season or who want to test the waters first. Membership fees cover operating expenses, advertising, special events, and membership in NDFMGA.

New vendors are eligible for a \$300 new vendor grant through NDFMGA. For more information on this grant go to [www.ndfarmersmarkets.org/](http://www.ndfarmersmarkets.org/).

# Quilts of Valor Kid's Quilt Camp

QOV Kid's Quilt Camp will be held on July 16 & 18, 2018. Anyone, age 10 to 18, with a basic knowledge of sewing by machine and a keen desire to honor and comfort our active and veteran military is welcome to attend.

Each camper will work with an adult mentor from Red River Quilters. Sewing machines and all materials are provided by Quilters Embrace and Red River Quilters. We will enjoy a pot-luck lunch at the end of each day's sewing. At the culmination of camp on Wednesday there will be a closing program, family and friends are encouraged to attend. If you, or someone you know is interested in attending QOV Kid's Camp, **register by calling Lori Loff at 701-372-3691 BEFORE July 3rd.**

Space is limited, campers are accepted on a "first come, first served" basis. Red River Quilters is a recently formed "Quilts of Valor" group. We are a group of quilters from Kent, Wolverton, Abercrombie, Colfax, Galchutt, Mooreton and Walcott.

The quilt tops will be machine quilted and bound. The kids may use them for a 4-H project (next year) if they choose, or the quilts will be awarded to a veteran earlier when they are completed.
